Dear Sir:

**RESPONSE TO NOTICE OF  
NON-COMPLIANT AMENDMENT**

In response to the Notice of Non-Compliant Amendment dated January 6, 2005, applicant submits a new claims amendment section and a new remarks section to replace those previously submitted.

As noted in a telephone message left for Nicole Lawrence on January 26, 2005, applicant's agent did not understand the reason "Each section of the amendment must begin on a new sheet", since the sections of introduction, claims amendment and remarks all began on a new sheet. Thus, a response to this item has been attempted by entering a page break at the end of each subsection. We trust that this will address this concern.

Thus, in the new claims section, the status identifiers for claims 21 and 27 have been corrected and the new claims have been set to start on a new page.

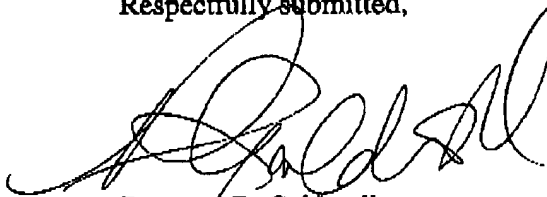

In the new remarks section each subsection has been set to start on a new page.
